

Investigating a topic is a part of learning. Looking at multiple sources and drawing conclusions from the sources helps us make sense of information. Use the links provided on the Student Page of the Bluegrass WebQuest to:

- 1) Gather factual information from the websites
- 2) Generalize the information into statements you can share with others that help them understand more about Bluegrass music

You may draw your own graphic organizer like the one shown on this page or use a more traditional form as listed below:

Website 1: Title of website: _____

What is the purpose or focus of the website? _____

What factual information did we find about Bluegrass music?

- 1) _____
- 2) _____
- 3) _____
- 4) _____
- 5) _____
- 6) _____
- 7) _____
- 8) _____
- 9) _____

Considering ALL the information you read, what new insights do you have regarding Bluegrass music? Make summary statements below:

Most informative website (Title): _____
